Introduction

1.1 Genesis-

Developmental Association for Human Advancement, which is popular as “Dehat”, is an autonomous voluntary developmental association working in the Bahraich district of Uttar Pradesh state. Dehat was established in the year of 1989-90 by some enthusiastic youths residing in the most backward rural areas.

It started its activities through a school opened for ‘Tharu’ tribals and forest village children.

After ten years of establishment, it got registered under society registration act 21, 1860 on dated 20 August 2000.

Philosophy

Dehat believes that sustainable development can only take place when the rural masses are mobilized to take active part in their on development.

Its also feel children are young human being. As human beings children evidentially have a certain moral status. There are things that should not be done to them for simple reason that they are human being. At the same time children are different from adult human beings and it seems reasonable to think that there things children may not do that adult are permitted to do. What makes children a special case for philosophical consideration is the combination of there humanity and the youth or more exactly there are our next generation of the society, if we ensure the child rights which are needed for the sound development of a civilized human being of children, we can fulfill the dream of a sustained and developed society.

1.3Vision and Mission

About 40% of total population in our country is of children. Dehat believe that without achieving the rights of children, we can't make our country happy, prosperous and developed. The childhood decides the nature of a future citizen.

Vision

To build a child centered society in which all children enjoy their rights and lead fulfilling lives.

Mission

To empower the deprived and under privileged sections of the society to ensure basic rights of the children.

Approach

'Dehat' believes in the motto of 'to help people to help themselves'. Hence, right from the beginning, 'Dehat' has adopted 'Right based approach' in implementing all the activities at grass root level. We never lead but promote people's leadership to solve their problems.

Chapter- 2

'Dehat' Action Year: 2007 – 2008

'Dehat' design its projects by keeping the children in focus. During the action year-2007-08, the projects were as follows:

Projects at a glance

S. No.	Name of the Project	Name of the Agency	Period of Operation	of Activities\
1	Child Right Project	Child Rights & You-CRY	2005 [Till Date]	Women Empowerment, Maternal and Child Health, Education and Community organization development in 8 forest villages of Mihinpurwa block of Bahraich district.
2	SURE START	Path International	2007-08 [Till Date]	Maternal and Neo-natal Health project aimed to reduce maternal and neo-natal deaths in Chittaura and Payagpur blocks of Bahraich district.
3	Lok Nidhi	National Bank of Agriculture and Rural Development-NABARD	2007 [Till Date]	Livelihood, Women Empowerment and Poverty Alleviation through Women SHGs in Chittaura and payagpur block of Bahraich District.
4	Rural Entrepreneurship Development Program	National Bank of Agriculture and Rural Development-NABARD	Jan-2007-March-2007	Training and credit linkage of 30 rural youths in mobile repairing.
5	Micro Enterprise Development Programme	National Bank of Agriculture and Rural Development-NABARD	May-2007	Training of 30 SHG women in Bindi making.

Child Right Project

The Child Rights Project was started in the year 2005 in the 8 forest villages (the villages inhabited on forest lands) with the help of CRY- Child Right and You, New Delhi. The residents of these villages were not considered as Indian citizens and as result they were not considered eligible for any type of Govt. schemes and benefits which an Indian citizen is getting. No residence, caste and income certificate was issued by any Govt. official to these forest village residents. Due to lack of residence, caste and income certificates, these villagers were not eligible for opening their bank accounts in any recognized bank and taking bank loans for self employment initiatives, applying in Govt. jobs, applying for passport etc. The children of these villages too were living with a dark future.

To ensure the rights of these rights less people, following activities were organized during the year 2007-2008 :-

Community Based Organizations

For ensuring the *Child Rights in the forest areas*, many group were formed like Vangram Adhikar Manch, Kishori Sangathan, and Baal Adhikar Manch etc. Every group has its specific work and issue but ultimately their destination is to get their all right which an Indian citizen is getting. These groups were trained on regular basis about forest law, RTI, Government scheme, NREGA, Child right etc. so that they can directly fight with government for their recognition and rights which they were not getting earlier.

Highlight of Project activities during 2007-08

For guiding the *Child Rights Movement in the forest villages*, following training programmes were organized during the year:-

Training and Workshop

- **Workshop on Right to Information:** - This workshop was organized to make people learn about the use of RTI, in different situation of life.
- **Workshop on Leprosy** – This workshop was focused on the prevention and cure of leprosy including govt. measures to eradicate leprosy.

- **Training on health and hygiene** – To aware the forest dwellers about the importance of health and hygiene selected member in forest area were trained on the issue.

- **Ration Card Campaign:-** During the month of January-2008, 'Dehat' conducted a household survey to know the no. of families without ration card. After the survey, 1456 poorer families were identified without ration card. For administrative action, the village wise list of such families was sent to the related officers. As result, an order was given to the block officials to ensure the availability of ration card to all the listed deprived families.

- **Workshop on the problem of resettlement of Van gram:** - This workshop was organized to make aware people about the rule and regulation of government about the forest area and the problem which the forest dweller face during resettlement.

- **School Health Programme:-** 'Dehat' see the school children as the change agents. To ensure better health, we organized school health programmes every Saturday in each Govt. Primary School of the area. Our Community Level Workers conduct the session. They use innovative methods of health education like: songs, health games based on traditional games, demonstrations and role-plays etc. During the year, 174 school health sessions were organized in 14 schools with 2489 school children.

Operation of Non-Formal Education Centers

Because of no schools in Nishad Nagar, Bhawanipur, Bichhia, Kailashnagar and Nai Basti village, there 1178 children were out of school. Hence, 'Dehat' had decided to open a non-formal center in Nishad Nagar forest village for ensuring the education for all 149 non-school children.

Due to lack of resources, no alternates can be developed for other villages, which is planned for next year..

HELP\ ADVOCACY

- Distribution of relief material during flood.
- Help in preparation of Family Register of forest villagers.
- Advocacy for opening of E.G.S center in forest village.
- Advocacy for the pension of widow and disabled.

- Advocacy for stopping child labour and bringing them to main stream of education.
- Advocacy for fair distribution of Ration to forest dwellers.
- Advocacy for allotment of Kerosene stock for forest village.

SURE START PROJECT – (Chittaura and Payagpur)

In district Bahraich Sure Start Project supported by Bill and Millinda Gets foundation, PATH international USA and BAIF pune is working in all 14 blocks since 2007. Dehat is working under this project in two blocks of Baharaich district namely Chittura and Payagpur with aim of reducing the Maternal and Neonatal Death and behavior change of community member on wrong practices followed by community regarding maternal and Neonatal health.

Currently we are covering 32 Gram panchayat in Chittaura and 27 Gram panchayat in Payagpur block. Activities which are performed during this year to meet the aim of project are as under:-

Highlight of Project activities during 2007-08

ORIENTATION

ASHA orientation:

Since ASHA is the backbone of the start and NRHM programme, they are trained quarterly over the year on different issues like danger sign recognition in mother and neonate, village health index register(VHIR), Cord care, thermal care, postpartum home visit etc. So far we conducted 04 ASHA orientation programme during the year

Orientation of block level official:

For effective liaison with health department, block officials like BDO, CDPO, ABSA and others on quarterly basis we organized meeting in which we share our progress and new interventions used by us during last three month at field level along with problem we faced and on this basis we demand help from the block officials. So far 04 orientations of block officials held during the year.

Pradhan Orientation:-

Pradhan orientation is based on the theme that pradhan is the leader of village\community and they are always busy in infrastructure building work owing to this they pay less attention on health activities, so in this pradhan are oriented on half yearly basis over the issues like role of village health and sanitation committee (VHSC), referral facility, emergency transport facility etc. This year 02 pradhan orientation was held.

Orientation of the member of Rogi Kalyan Samiti

On quarterly basis this orientation is organized in which MOIC, BDO, ABSA, block panchayat chairman etc. were present in this meeting we make a presentation of our work during the last quarter and tried to raise MNH issues related issues like posting of ANM, ASHA, birth and death registration and tried to motivate the officials and community leader in the meeting so that maximum of the fund can be mobilized on MNH issues.

CAMPAIGNS

Along with the orientation programme different campaign on MNH related issues are organized to sensitize the community during the year. This year three campaigns were organized which are as under:-

- **Swasthya Ka Mudda Gaon Ki Tayari:-** this campaign was to aware community about the role of expectant father and birth preparedness
- **VHSC open meeting with community:** - this campaign was organized to prepare village health plan, emerge
- ncy transport, in this campaign community help in display of emergency transport service provider number.
- **Campaign on safe-motherhood day:-** this campaign was start to sensitize pregnant women and dhatri Mata on precaution to be taken before and after delivery and newborn care

ADVOCACY \ HELPS:-

During the work we found that many malpractices and corruption are there both at community level and at official level like taking money by ANM for issuing birth certificate, irregular payment of ASHA and non utilization of untied fund by VHSC on MNH related issues etc. To eradicate such practices we contact block officials and other who is responsible for the work and try to convince\aware them about the fact along with use of application to higher officials on issues like payment of ASHA.

Summary of project work in payagur & Chittaura during 2007-08

Name of activities	Number of activities	Venue	Number Participant
ASHA Orientation	06	Project office	147
Pradhan Orientation	06	Block meeting hall	64
Orientation of block level official	06	Block meeting hall	75
Orientation of member of Rogi kalayan Samiti	05	Community health center	15

OTHER ACTIVITIES

- **Video Van shows in selected village of project area:-**

Film show in all L-3 villages on maternal and neonatal health.

In this community was sensitized about the importance of sanitation, through village level meeting at each block.

- **Gullak distribution to pregnant women :-** In this campaign gullak pot were distributed to pregnant women to encourage them about saving habit during pregnancy period so that during emergency they did not face the problem.

Summary of special days and event payagpur and Chittaura- 2007-2008

Name of activities	Number of activities	Venue	Number Participant
World breastfeeding week	O8	CHC and three villages	143
Nutrition week	O8	CHC and three villages	156

Newborn care week	O2	CHC, meeting hall	135
World sanitation week	O6	At O3 village in each block	123
Safe motherhood day	O2	CHC, meeting hall	97

ACHIEVEMENTS

1. Conduct O4 block level orientation for each ASHA, Block official, RKS & pradhan, to ensure that maximum health facility can be ensured at grass root level with quality.
2. Regular registration and issue of birth and death certificate without any payment to ANM or any person started during the year.
3. Gullak were distributed to pregnant women for sensitizing people about saving money for emergency during the pregnancy from the untied fund of village health and sanitation committee (VHSC).
4. Village health plan (VHP) was prepared during community open meeting with VHSC so that problem related with health & MNH issues can be sorted out and solved in all 27 project gram panchayat.
5. Emergency transport providers contact no. along with number of frontline service provider was displayed in all 27 gram panchayat at two prominent places.
6. Slogan and wall writing were organized in all gram panchayat of project village during world breast feeding week to sensitize the community.

RIGHT TO INFORMATION-RTI

'Dehat' promotes Right To Information Act as an effective tool to empower the deprived sections for their struggle towards their rights. 'Dehat' is providing RTI support since from 2005 with the help of kabir in five gram panchayat of Fakharpur block of bahraich district. Dehat feels that without the sensitization about the people's rights we can't promote the people's participation in any type of effort for the betterment of deprived societies. Under this sector, Dehat

promotes all the Govt. and non-govt. efforts towards the rights of people needed for a better life and at the second side we sensitize deprived sections of the societies towards their rights.

The main activities are as under:

- Information collection and dissemination about all the Govt. schemes for poorest sections of the societies.
- Regular orientation about the basic rights and especially about child rights.
- Promotion of education status especially of girls in the adopted areas.
- Advocacy efforts on emerged common issues affecting the lives of deprived communities.
- Regular orientation of community organizations to develop them as surveillance groups.

2. Loknidhi [People's Prosperity]

This project started in 2003 with the help of NABARD earlier this project was for Chittaura block of Bahraich district but in 2007 this project was extended to Payagpur block of Baharaich district. Since then Dehat is looking forward to extend its experience for marginalized section specially women group in following manners

For this year, we have decided to promote only women organizations as Self Help Groups.

During the period the process of community organization [SHGs] was continue in progress. The details of the progress of this activity are as under:-

- No. of women SHGs - 089

•	No. of SHGs members	-	838
•	No. of accounts opened in the banks -	O68	
•	Name of bank	-	State Bank of India-ADB Branch
	State Bank of India-		
	Chilwaria Branch		
		▪	District Cooperative Bank- Bahraich
		▪	Lucknow Kshtriya Gramin Bank, Payagpur
		▪	Central Bank, Payagpur
•	Monthly premium	-	Rs. 20
•	Saving up to 31 st March,2008	-	Rs. 12,83,540
•	Total inter loans	-	Rs. 8,00500
•	Total returns	-	Rs. 6, 78,765

7. Capacity building of Self Help Group leaders.

Capacity building of promoted community organizations is the sole of people's empowerment process. Keeping this in view, we have organized the following two types of efforts this year:

- a. Trainings of women SHG leaders
- b. Exposure of women SHG leaders

As mentioned above, Dehat has promoted 40 women SHGs. But we have organized these programmes for only 28 matured SHGs.

The details on programmes are as under:

a. Trainings of women SHG leaders

S. No.	Duration	No. of Participants	Venue	Covered Gram Panchayats	Resource Person
1.	June1-2, 2007	74	Block Head Quarter, Chittaura	Rasoolpur, Bahadurpur Khalilpur Beria Maseeha Bad	-Awanish Kumar -Pratima Bahan
2.	June3-4, 2007	44	Bal Montessori School, Jagtapur	Vikas Chhawani Sarkar, Jagtapur Tajkhodai,	-Awanish Kumar -Pratima Bahan
3.	June13-14, 2007	23	Sharda Ki Bagia, Sitkahna	Sitkahna Jot	Mr. Shashi Bhushan Dr.Jitendra Chaturvedi Awanish Kumar
4.	June7-8, 2007	16	Lal Garha	Ahirauna,	Awanish Kumar

b. Exposure programme for SHGs leaders

The exposure programmes are proved most effective to strengthen the capacity of target groups.

For women SHG leaders, an exposure programme was organized on 29 January,2008.

A group of 89 women SHG leaders went to the 5 villages of Chittaura block having good quality SHGs and meet some very active SHGs. During the visits, the participants learnt about the record keeping, entrepreneurship development, group management and factors helpful in running SHGs.

Chapter- 3

Experience and way ahead

Dehat team consist of individual who have sustainable grassroots level experiences along with this it aim to merge its experiences from the ground with current organizational demand s of policy level advocacy to meet organization vision, mission and objective. Dehat feels that identifying problem which come at way in the development of organization poses serious challenge so organization with same goal need to come together to fight these challenge.

Dehat promotes community organizations of the poorest families at community, hamlet, village, Gram Panchayat and block level in the adopted areas and then educate and empower them through their regular meetings, trainings and exposures to undertake all the developmental activities at their own with ensuring social justice and equity.

Dehat also organize training, exposure and sensitization efforts for the elected members of Panchayats and Gram Sabha to strengthen the rural self-governance system.

Consequentially, we intend to offer these efforts to the people only up to the time when they are empowered enough to leverage all these facilities at their own. There after we see our role only as an educator and facilitator.

Volunteers and Staff 2008 - 2009

Dehat believe that staff are the pillar of a building called organization, if they are erected with strength organization can grow up to high level therefore on the basis of training need of staff identified by a organization , capacity building programme are organized of the duration of 3 to 5 days. Dehat hire professionals from other organization for the capacity building of staff whenever outdoor training are conducted

Along with this fortnightly meeting is the important method of in house capacity building approach of Dehat. On every 1st and 15th of month, a topic selected on the basis of supervisory observation is taken by the senior staff and orientation programme is conducted.

The Team

S.N.	Name of Staff	Designation	Qualification	Experience	Full Time/ Part Time
1	Dr. Jitendra Chaturvedi	Cheif Executive	M.A., B.H.M.S.	16 Year	Full time
